### Important Notes:

- **\*CHM100** – Based on the Chemistry Self-Assessment Test, students may test directly into CHM1100 and not be required to take CHM100. Chemistry Self-Assessment Test can be accessed through the Department of Physical Sciences website.
- The term-by-term course sequence takes into account necessary Prerequisites, Corequisites, and Pre-/Co-requisites.
- Select ONE (1) WRITING INTENSIVE course & ONE (1) CIVIC ENGAGEMENT course. Some courses meet BOTH requirements, see CUNYFirst to determine course status
