

Help guide your career in Health Services!

Is Health Services in Your Future? As part of the BSI Initiative, students interested in health services will take college-level classes to gain a deeper understanding of the industry. This program will provide students with hands-on interaction with instructors and healthcare practitioners. This initiative allows students to decide if they want to pursue a career in health services.

HEALTH CAREERS

- Nursing
- EMT
- Medical Technician
- Phlebotomy
- Doula
- Social Work
- Health care industry
- Counseling support
