

Kingsborough Community College Office of Collaborative Programs wishes Dana Ayach From Fort Hamilton High School Congratulations for being selected to receive Myself Third: Spirit of New York Scholarship for 2021

Fort Hamilton:

*"Caring and supporting people who needed it sank deep under my skin. The one with the greatest impact on my psychology and my life was definitely working with students of disabilities and down syndrome.....Maybe instead of society judging them negatively just because they have some disabilities, we should reconsider our values and check our egos."*
