What is Office of Collaborative Programs?

Collaborative Programs consists of the following programs: College Now, DYCD Work Learn Grow, Future Ready NYC, New Paths and Liberty Partnerships Program.

College Now being our largest program, offers high school students the opportunity to take college-level courses and earn credits while still in high school.

College Now increases the college readiness and success rate of participating students and enhances the students' self-confidence and motivation.

Academic Year 2023-2024

- 17,750 Combined Enrollments

What Students Say:

"I appreciate College Now because it is free and I am attaining college credits while I am still in high school and I am getting prepared for college after high school at the same time. I would also add that the courses offered to me are very interesting and taught by some of our best teachers. College Now gives me a little sample of what college will be like."
