

What To Expect From CUNYfirst

- CUNYfirst will enable a Kingsborough student to go on line to add a class. And, within 24 hours, the student will receive a clear and comprehensible notification of any effects the class change will have had on his/her financial aid.
- CUNYfirst will enable a Kingsborough employee who applied on line and was selected for a position at another CUNY school to arrive at her new job with her/his, employment file completely up-to-date and receive the correct pay on time, with all changes noted.
- CUNYfirst will enable a Kingsborough student to register for a class at another CUNY school with ease. With CUNYfirst, every student will have one identity across the entire CUNY system.
- CUNYfirst will enable an accounting assistant to click on an icon on her/his screen to order items. Electronic authorization for the order is completed in seconds. Likewise, receipt of the delivered goods and traceable inventory are immediate.
