

# Meet the Middle States Standards Fall 2023

As you may know, Kingsborough is currently undergoing its Self-Study as a part of its reaccreditation with the Middle States Commission on Higher Education (MSCHE), a.k.a. Middle States.

Each week we are sending out an email from the Standard co-chairs so that you can learn more about the Standards and how the Working Groups are conducting their review. This week we are hearing from:

Co-Chairs: Scott Cally and Carey Manifold

## What is Standard VII?

Standard 7 encourages us to focus on the overall functioning of the institution. This standard examines how to better align our shared governance, administrative structure, and overall leadership with the goals and mission of our college. Through this examination process we can identify areas that will allow for improved transparency and engagement of the college community in the decision-making process.

*Prof. Scott Cally tells us about Standard I at the Self-Study Kickoff Event on September 26, 2023*
