RE: Change in course title only

The Department of English is proposing a change in title for English 12 and 24.

FROM: Freshman English I (Eng 12) and Freshman English II (Eng 24)

TO: Composition I (Eng 12) and Composition II (Eng 24)

Rationale for Change:

The English department voted to change the titles of these courses during a Spring 2016 department meeting in order to align our course titles with the Pathways name for these courses as well as the national norm. We eliminated the word "Freshman" because it is sexist and because it doesn't accurately name the students who take these courses (a large percentage of students take these courses AFTER their Freshman year). We changed from "English" to "composition" because these courses do not primarily focus on skills that serve the discipline of English, as they are interdisciplinary in their focus and purpose.
